2.5. Sets of Twizzles

Definitions

Twizzle	A traveling turn on one foot with one or more rotations which is quickly rotated with a continuous (uninterrupted) action. The weight remains on the skating foot with the free foot in any position during the turn then placed beside the skating foot to skate the next step. A series of checked Three Turns is not acceptable as this does not constitute a continuous action. If the traveling action stops during the execution, the Twizzle, it becomes a Solo Spin (Pirouette); The four (4) different types of entry edges for Twizzles are as follows: <ul style="list-style-type: none"> ▪ Forward Inside; ▪ Forward Outside; ▪ Backward Inside; ▪ Backward Outside.
Set of Sequential Twizzles	At least two Twizzles (each partner for couple) with up to 1 step between Twizzles.
Set of Synchronized Twizzle Sequence	At least two Twizzles (each partner for couple) with up to 3 small steps between Twizzles

1. The first performed Set of Twizzles shall be identified as the required Set of Twizzles and given a Level, or No Level if the requirements for Level 1 are not met. The first Set of Twizzling Movements performed after the required Set of Synchronized Twizzles shall be identified as Choreographic Twizzling Movement, if no other Choreographic Element has been identified and confirmed. Subsequent Sets of Twizzles shall not be identified.

(Basic Novice, Advanced Novice and Junior – Maximum 1 Choreographic Element) (Senior – Maximum 2 Choreographic Elements)

2. If a Fall or interruption occurs at the entrance to or during a Set of Twizzles and is immediately followed by other Twizzles (for the purpose of filling time), the element shall be identified and given a Level according to the requirements met before the Fall or interruption, or No Level if the requirements for Level 1 are not met, and the additional part shall not be identified.

Characteristics of Levels

If a loss of control with additional support (touch down by free leg/foot and/or hand(s)) occurs after a Twizzle has commenced and the Twizzle continues after touchdown (without interruption), only the rotations before the touchdown shall be considered for Level.

Level 1	Level 2	Level 3	Level 4
At least one rotation in each of the two Twizzles	Different entry edge for the two first Twizzles AND At least 2 rotations in each of the two first Twizzles AND At least 1 different Additional Features	Different entry edge and different direction of rotation for the two first Twizzles AND At least 3 rotations in each of the two first Twizzles AND At least 2 different Additional Features	Different entry edge and different direction of rotation of the two first Twizzles AND At least 4 rotations in each of the two first Twizzles AND At least 3 different Additional Features

Additional Features for the Set of Twizzles

1	Difficult arm(s) position or movement
2	Difficult free leg position or movement
3	Difficult entrance
4	A third Twizzle of at least 3 rotations, performed correctly, started with different entry edge than the first two Twizzles, and preceded by a maximum of one step for Set of Sequential Twizzles or a

	maximum of three steps for Set of Synchronized Twizzles;
5	Two first Twizzles performed on the same foot without change of foot or touch down of the free foot, with no limit on turns or movements performed between those two first Twizzles;

Adjustments to Levels

<p>If any part of any Twizzle within the first two Twizzles becomes a Pirouette or checked Three Turns, its Level shall be reduced: $\begin{matrix} \text{[1]} \\ \text{SEP} \end{matrix}$ by one Level if one or two of the four Twizzles become Pirouettes or checked Three Turns; $\begin{matrix} \text{[1]} \\ \text{SEP} \end{matrix}$ by two Levels if three or four of the four Twizzles become Pirouettes or checked Three Turns.</p> <p>If there is a full stop before the first Twizzle by one or both partners, the Level of the Set of Twizzles shall be reduced by one Level.</p> <p>If there is a full stop before the second Twizzle, by one or both partners, the Level of the Set of Twizzles shall be reduced by one Level.</p> <p>If there is more than one step between Twizzles in a Set of Sequential Twizzles or more than three steps in a Set of Synchronized Twizzles, the Level of the Set of Twizzles shall be reduced by 1 Level if the mistake is performed by one partner and by 2 Levels if the mistake is performed by both partners.</p>
